DESCRIPTION

Wood Renu is a two part liquid that is mixed together when ready to use. It is an environmentally friendly product that safely removes mold, mildew and algae along with the silver gray color that can develop over time. Restores wood, plastic, composite and hardwoods to their original appearance. Unlike chlorine bleach based cleaners, **Wood Renu** is biodegradable and will not harm wood fibers, pets, grass, or most plants.

USES

Wood Renu removes dirt, grime, mold and mildew stains, and weathered graying from horizontal and vertical wood, plastic, composite and hardwood surfaces. It is recommended for gray weathered wood along with mold and mildew control and for surface preparation.

BENEFITS

- **Restores the natural beauty of wood in 10 minutes**
- **Removes all traces of weathered graying**
- **Contains no acid or chlorine bleach**
- **Safe for plants and animals**
- **Biodegradable and Environmentally friendly**
- **Prevents new mold and mildew growth**
- **No Pressure Washing or Scrubbing Required**
- **Non corrosive**

PACKAGING

Wood Renu is available in 2, and 10 gallon mixes.

1. 1 gallon jug of part A & B makes 2 gallons
2. 5 gallon pail of part A & B makes 10 gallons.

MIXING DIRECTIONS

Mix 1/2 gallon of part A and 1/2 gallon of part B of **Wood Renu** to make 1 gallon of product. Mix ratio is 1 to1

STEP 1: MIX: Mix equal parts of part A & B and stir thoroughly. Wait 15 minutes after mixing part A & B before using. **Wood Renu** should be used within 12 hours after mixing and be completely used within same day of mixing.

STEP 2: APPLY: **Wood Renu** solution with sprayer or spray system. Let solution stay on surface for 5-10 minutes without drying and the rinse clean.

STEP 3: RINSE: Rinse thoroughly with water from hose or pressure washer using low pressure that cleans without damaging the wood.

Coverage: One gallon of **Wood Renu** cleans, and restores 100-200 square ft. depending on porosity, moisture content, and cleaning method used.

CAUTIONS

Wood Renu contains Enzymes and Surfactants. **Do not** mix with chlorine bleach or other chemicals. Store the products in original container only. Sweep up spills and flush down drain. Contact with combustible organic materials may cause fire. Accumulation of product on concrete, ladders, scaffolding, decks, etc., may result in a slippery surface. Avoid contact with eyes and mucous membranes and prolonged contact with skin.

First Aid: In case of eye contact, flush with water for 15 minutes and get prompt medical attention. If swallowed, give milk or water. Do not induce vomiting. Call a physician immediately.

LIMITED WARRANTY

American Mold Products warrants this product to be free from defects for six months from date of purchase as long as product remains sealed. Any claim must be made in writing, accompanied by proof of purchase. **American Mold Products** will only be obligated to replace the product. **American Mold Products** shall not be liable for incidental or consequential damages resulting from any breach of this warranty and fitness for use. Some states do not allow the exclusion of incidental or consequential damages, so the above warranty may not apply to you. This warranty gives you specific legal rights.

TRANSPORTATION AND STORAGE

Wood Renu is considered **Non Hazardous** under Department of Transportation Regulations. Store products in a cool, dry area and keep from freezing.
